

European Climate Platform (ECP)

An Initiative by Mistra's Climate Policy
Research Programme (Clipore) and the
Centre for European Policy Studies
(CEPS)

Side event SB 28/Bonn 2008

How could positive incentives work to facilitate a global climate change agreement?

Presentation of the results of a high-level ECP seminar in Madrid in April 2008 by seminar participants

Based on a new European Climate Platform (ECP)¹ Report on "positive incentives" and the newly published ECP book "Beyond Bali":
http://shop.ceps.eu/BookDetail.php?item_id=1643.
Copies of the report and the book will be available.
