

Final Workshop

Interim Evaluation of the EU programme on interoperability solutions for European public administrations, businesses and citizens (ISA²)

Tuesday, 7th May 2019, 10:30-14:00

CEPS Conference Room, 1 Place du Congrès, 1000 Brussels

[ISA²](#) (Interoperability solutions for European public administrations, businesses and citizens) is an EU spending programme supporting the development of **digital solutions** that enable public administrations, businesses and citizens in Europe to benefit from **interoperable cross-border and cross sector public services**. The programme has a budget of **€130.9 million** and runs for 5 years from 1 January 2016 until 31 December 2020. It provides and maintains [solutions that facilitate the reuse of data as well as its exchange](#).

Over the past five months, **CEPS** has conducted an independent interim evaluation of ISA² for **DG DIGIT** of the **European Commission**, assessing the achievements of the programme so far and identifying areas of potential improvement. Against this background, CEPS is hosting a **final workshop** to present the **results of the interim evaluation** and discuss with stakeholders the **key recommendations** to enhance the performance of ISA² and future EU initiatives in the field.

The event is free of charge; registration is required. Remote participation can be arranged upon request.
