

## Launch of Banking Business Models Monitor 2019: Europe

Friday 6 December 2019 - 9:00 - 10:00 | CEPS - Place du Congrès 1 - 1000 Brussels

Bank business models analysis has emerged as a policy tool to better understand the nature of risk attached to banks and the relative contribution of each identified business model to systemic risk throughout the economic cycle.

During this CEPS breakfast meeting, we will present and discuss the new edition of the Monitor, which covers 3,287 banking groups and subsidiaries in the European Economic Area and Switzerland for the 2005 to 2017 period.
