Kredietbank Amsterdam

Program:

- Who are we?
- What does Kredietbank Amsterdam do?
- Remediation by the Kredietbank Amsterdam

Kredietbank Amsterdam

What does Kredietbank Amsterdam do?

The following services are provided:

Debt advice

If you have difficulties making ends meet with your earnings, you can get help resolving those, even if you don't have large debts. The Kredietbank offers two different options to help you.

[Read more](#)

Personal loan

A personal loan is a certain amount of credit. This amount is provided to citizens of Amsterdam with financial difficulties who earn a maximum of 130% of the minimum wage and who have a justification for applying.

[Read more](#)

Education loan

The training loan is intended to cover the costs of education. The education should increase your chances of finding work. You can only apply for the loan if you have a low income.

[Read more](#)

Mortgage problems

Do you own your home and are you due to circumstances no longer able to pay for it?

[Read more](#)

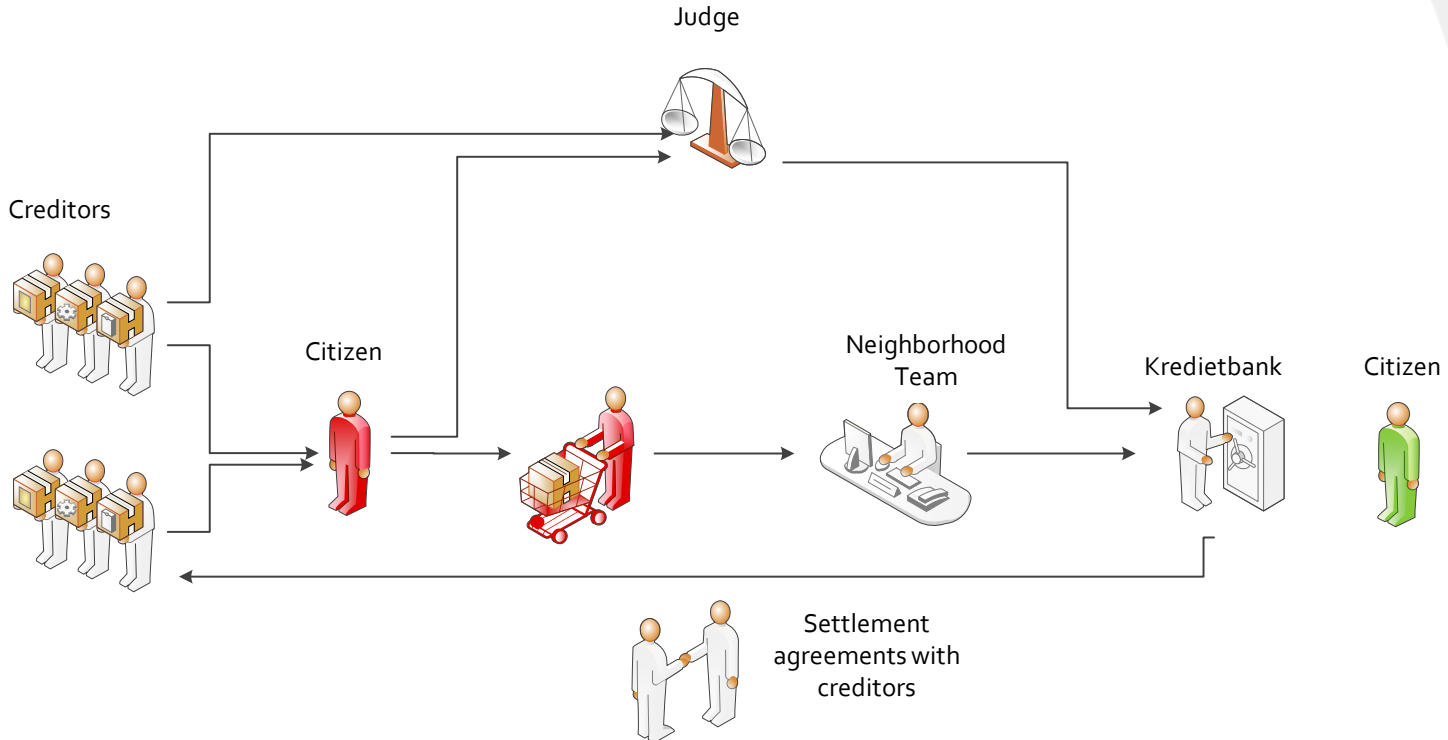

The collection department is responsible for reclaiming loans provided by the Kredietbank.

The Kredietbank Amsterdam works closely with the various "Neighborhood Teams" in the city that carry out the preliminary phase of debt inventory and stabilisation.
